- Death of the covered employee
- A reduction in the employee's hours
- For spouses and eligible dependents, the employee's entitlement to Medicare
- Divorce or legal separation of the covered employee and his or her spouse
- A dependent child no longer meeting eligibility requirements under the group health plan

Under COBRA, the employee or beneficiary pays the full cost of health insurance coverage at Aterra Designs's group rates plus an administration fee. However, the American Rescue Plan Act provides a 100% COBRA subsidy for qualified employees and dependents who lose coverage as a result of an involuntary termination or a reduction in hours (assistance eligible individuals or AEIs). This subsidy is available only for periods of coverage from April 1, 2021 through September 30, 2021. For more information, contact the General Manager.

Notification Requirements:

The employee, or family member, has the responsibility to inform the General Manager of a divorce, legal separation, or a child losing dependent status. The employee, or a family member, has 60 days after the qualifying event to provide such notice, unless a longer period is permitted under rules of the plan. Aterra Designs has the responsibility to notify the Plan Administrator of the employee's death, termination of employment, or reduction in hours.

Once the notification has been made to the Plan Administrator, the Plan Administrator will inform the employee that he or she has the right to choose continuation of coverage. If employees choose to continue coverage, Aterra Designs is required to provide coverage that is identical to the coverage provided under the plan to similarly situated employees or family members.

Period of Coverage:

Continuation of coverage is extended from the date of the qualifying event for a period of 18 to 36 months. The length of time for which continuation coverage is made available (i.e., the "maximum period" of continuation coverage) depends on the type of qualifying event that gave rise to the employee's COBRA rights.

An employee's continuation of coverage may be cut short for any of the following reasons:

- Aterra Designs no longer provides group health coverage to any of its employees
- The premium for the employee's continuation coverage is not paid in full on a timely basis
- The employee becomes covered under another group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition
- The employee becomes entitled to Medicare

This policy provides a summary of health insurance continuation benefits. Actual coverage is determined by the express terms of the plan documents. We encourage both you and your family to review the plan's Summary Plan Description (SPD) materials carefully.

If there are any conflicts between the handbook or summaries provided and the plan documents, the plan documents will control. The Company reserves the right to amend, interpret, modify or terminate any of its employee benefits programs without prior notice to the extent allowed by law.

For further details on health insurance continuation available through Aterra Designs, as well as copies of the plan documents, contact the General Manager.

8. Timekeeping & Payroll

8.1 Attendance & Punctuality

Absenteeism and tardiness place an undue burden on other employees and on the Company. Aterra Designs expects regular attendance and punctuality from all employees. This means being in the workplace, ready to work, at your scheduled start time each day and completing your entire shift. Employees are also expected to return from scheduled meal and break periods on time.

All time off must be requested in writing, in advance, as outlined in the Company's time-off policy. If an employee is unexpectedly unable to report for work for any reason, they must directly notify their supervisor as early as possible, and preferably prior to their scheduled starting time. It is not acceptable to leave a voicemail, text, or email message with a supervisor, except in extreme emergencies. In cases that warrant leaving a voicemail, text, or email message or when an employee's direct supervisor is unavailable, a follow-up call must be made later that day.

If an illness or emergency occurs during work hours, employees should notify their supervisor as soon as possible.

Employees, who are going to be absent for more than one day, should contact their supervisor on each day of their absence. Aterra Designs reserves the right to ask for a physician's statement in the event of a long-term illness (three consecutive days), or multiple illnesses or injuries.

If an employee fails to notify their supervisor after three consecutive days of absence, Aterra Designs will presume that the employee has voluntarily resigned. Aterra Designs will review any extenuating circumstances that may have prevented the employee from calling in before they are removed from payroll.

Should undue or recurrent absence and tardiness become apparent, the employee will be subject to disciplinary action, up to and including termination of employment.

This policy is not intended to restrict an employee's right to discuss, or act together to improve, wages, benefits and working conditions with co-workers or in any way restrict employees' rights under the National Labor Relations Act.

Certain absences may be protected by federal, state, and/or local law. If you have questions about this policy or your entitlement to time off, contact the General Manager.

8.2 Timekeeping

It is the Company's policy to comply with applicable laws that require records to be maintained of the hours worked by our employees. Every employee is responsible for accurately recording time worked.

In addition to recording arrival and departure time, non-exempt employees are required to accurately record the start and end of each meal period as well as any departure for non-work related reasons. Any errors in time records, must be immediately reported to your supervisor.

Absent prior authorization, non-exempt employees are not permitted to start work until their scheduled starting time or work past their scheduled ending time.

Aterra Designs strictly prohibits non-exempt employees from working off the clock for any reason. All time spent working must be logged and accounted for; this includes time spent using electronic devices for work-related purposes.

Vacation days, sick days, holidays, and absences for jury duty, funeral leave or military training must be specifically recorded by all employees. It is the responsibility of all employees to submit and approve their time records each week. Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action up to and including termination of employment.

8.3 Paydays

Aterra Designs employees are paid on a Semi-monthly basis. In the event that a regularly scheduled payday falls on a holiday, employees will be paid on the day preceding the holiday, unless otherwise required by state law.

Paychecks will not, under any circumstances, be given to any person other than the employee without written authorization. Paychecks may also be mailed to the employee's listed address or, upon advance written authorization, deposited directly into an employee's bank account. Employees who elect payment through direct deposit will receive an itemized statement of wages when the Company makes direct deposits.

In the event of employee termination, the employee will receive their accrued pay in accordance with applicable federal, state and local laws.

8.4 Payroll Deductions

Aterra Designs makes deductions from employee pay only in circumstances permitted by applicable law. This includes, but is not limited to, mandatory deductions for income tax withholding and Social Security and Medicare contributions as well as voluntary deductions for health insurance premiums and other related contributions. If you believe that an improper deduction has been made from your pay, raise the issue with the General Manager immediately. Aterra Designs will promptly investigate. If the investigation reveals that you were subjected to an improper deduction from pay, you will be reimbursed promptly.

8.5 Overtime (Nevada Employees)

The nature of our business sometimes requires employees to work overtime. Supervisors will notify employees when overtime is required. Employees are not permitted to work overtime without prior authorization from their supervisor.

Non-exempt employees will be paid overtime in accordance with state and federal overtime requirements at one and one-half (1.5) times their regular rate of pay for all hours worked in excess of 8 in a workday* or 40 in a workweek, unless by mutual agreement, the employee works a scheduled 10 hours per day for 4 calendar days within a work week.

*For purposes of calculating daily overtime, the workday is defined as a period of 24 consecutive hours, which starts when the employee begins work.

There may be exceptions to these standards where allowed by law. Employees are encouraged to speak with their supervisor or the General Manager for more information.
